When our Information Service Office lists a group, there is an informal agreement that the group will abide by the Al-Anon Traditions and keep its door open to any Al-Anon member. Listing in this Directory does not constitute approval of any group's manner of practicing the Al-Anon program. If the group you attend is not right for you, please try another.

There is help and hope available in Al-Anon.

Each group listed is responsible to notify AIS (phone listed above) of any changes in meeting times/locations, etc.
